Phone Number: [401-253-3129](#)

Judges Note → We try to get judges that are knowledgeable for all breeds. But there are times that we need your help. So we are reaching out to you, to find all breed judges. Speciality Clubs have made previous arrangements for judging. Possibly one of your members or fellow breeders can judge your particular breed if needed. Or possibly someone who had your breed, but is no longer showing your particular breed can judge. This will really help us be one of the number one shows in the northeast.

50/50 Auction → We are looking for quality pairs of birds to help the show and get birds to new breeders. Half of the money goes to the breeder and half to the show. It would be nice to have speciality clubs donate a pair of quality bird to the auction to help promote your breed.
